

Honorable Judge Byr w. Zobel,

U.S. District Court

CWA Court Houseway

Boston, MA. 02110.

Dear Judge Zobel,

11-03-07.

I am writing you this letter outside, But within sight of my 2255 Appeal. I turned 36 Today. IVE Been Living a Lie Now For 16 years. Most of my Life IS a Lie. I Dont Know IF what I Suffer From IS Truth Tellers Syndrom (TTS) or IF ITS Psycheologia Fantastica (sic), But I know I Suffer From Something. I know you must Be weary, your Honor, I made up so many Lies, To Paul Kelly, the ATF, news media and inmates. wherever I could Glean Attention, no matter what Harm IT would cause, I didnt care. I knew ALfred Trankler For Less than 12 Hours. He never Had a surprise, nor did I Buy anything For Him at Radio Shack or For anyone else. In October 18th of 1991, IT was my moms Birthday. I was at a police officers House named Scott Stanley who lived in New Bedford. He took me to a mall to Buy two cats For my mothers Birthday. She Had Just turned 47. your Honor, There IS evidence in the Evidence Locker that will Show that my Lies were wooden Squares that were made to fit in Round Holes. Theres Finger Prints, that with new Lab Technology can Be found amongst the Tape. Theres also D.M.A. in the oils of the Finger Prints. This evidence will clear ALfred Trankler and myself also. your Honor, your Life in your Job, I know IS not to Be Just, But to Seek Justice For the Defendants whose cases you supervise. I compell you ma'am, to order a re-examination of the evidence. Specifically the Tape. The Truth IS in there. I am sick ma'am, I may Have Been this way Because of my childhood in D.S.S., I was sick in 1998 Hearing voices. This letter takes all my Strength to write you

#2

with the Best intentions, to seek the truth, to help you know and to especially free an innocent man. I may be an institutionalized person, maybe be part of my psychosis, and need intense counseling, maybe even medication. I leave you with this knowledge, in the hopes that you will, seek justice, in these circumstances.
