

Dear Judge Zobel,

3-29-09.

Do people whom suffer from mental illness become self aware? IS IT POSSIBLE FOR a person to be cured or to develop treatment to phase out the affliction? I know that as a teenager I made up many lies which turned troublesome. Pulling fire alarms, claiming to have seen a drowning, seeing ghostly figures at school, and also buying fighter jets, bomb debris in the Guinay Quarry, bombs diving off the cape cod coast and a televised interview where I bought parts of a bomb. Hadn't I found psychological help the next stories might've included Jimmy Hoffa or John Kennedy. How can anyone pick and choose which statements are true or false. None of them were reliable and even years later having recognized the fact that I couldn't have possibly made the purchase of the radioshack components, being that the labor department, ATF, or prosecutor submitted a fraudulent piece of evidence, a radioshack receipt which was to coincide with my obvious bogus statement, we now find was in a more profound way a phantom receipt. IT doesn't exist on the computer operated system of radioshack. ITS serial #, ITS purchase info, IS all fraudulent which then leads a person to believe that the testimonies of anyone connected to radioshack, especially one prominent on a green card would surely feel intimidated by the federal government. By his own boss of who I cheated with

That same man's lover, and to top it off
the radiostack manager is not only a person
who despises me because I slept with his
young lover but Mr. Nightengale is also
reconnected with Ed Carver of whose testimony
you accepted even though he told you he'd
been sleeping with me since ~~he~~ was 15 years
old. So AUSA gives Carver immunity
for his perjury, Nightengale pressures
Carver or he'll lose his job and the
government will ship him back to Jamaica or
Haiti, and the radiostack receipt is
found to be bogus, a phantom created to
coincide with my tolerated lies.

In your recent denial of Alfred Tracklows
2255 you stated I am not credible.
now in this letter I am proving to you
that I wasn't there but I am now.

can a person change. can a person be
cured, does treatment work? yes.

But now I am proving to you that the
government used ill tactics to make their
case. and that is a violation of my
civil rights. and that is new evidence!
what's the time line your Honor on
Justice when one or two of the so called
good guys goes bad? what is the time
line on Justice being served?

Your Honor,

In 1998 Attorney Kettlewell and Weinman not only lied to me in their coercion tactics to get me to plead guilty, but they also used a higher paid position, a Partnership, holding it over ATTY Amy Baran's head. If I would plead guilty.

ATTY Baran does volunteer works for those. I believe in my heart she was forced to accept the plea & DEAL after all the hard work to get me a new trial.

Your Honor,

I didn't commit conspiracy with Alfred Trankler or anyone for that matter. I plead guilty on the advice of my ATTORNEYS Kettlewell and Weinman even AFTER having told them I am innocent. I also stipulate to you that my ATTORNEYS knowingly lied to me, telling me that by pleading guilty, it in no way implicated Alfred Trankler.

Your Honor,

you are a damn good Judge. you have a hard enough job to do when people are guilty, but what happens when you find yourself in a position to truly know in your heart that innocent men want to prison for something they didn't do?

I can only pray, and pray hard I will
that you will see the deceit and lies
that I want in your courtroom to bring a
fairer sense of justice to a city that
was obviously looking for closure.

IS IT TOO LATE FOR JUSTICE? IS IT TOO
LATE FOR OFFICER HURLEY, FELAY, OR CORBITT?

IS IT TOO LATE FOR ALFRED TRANKLER OR
MYSELF?

CAN JUSTICE BE SAVED?

each day Alfred Trankler serves in prison,
I promise you, is an atrocity to all
the people who believe in or created the
criminal justice system. He surely is
someone who fell through the cracks and
crevices of a system that does make mistakes,
has knowingly killed people, or placed them
in prison, there to die, or 30 years later
be saved.

The truth is the truth your Honor.
everyday, each day you can make a
difference. ITS NEVER TOO LATE. BUT
PLEASE GET NOW.

I know Alfred Trankler not as a friend or
a lover and for less than 8 hours. Alfred Trankler
just a good sergeant who helped me with a
few video hours from a club is in prison
for a crime he did not commit.

Alford Hankler never gave me his photo. I tricked him into giving it to me.

Your Honor, do you believe in God? Well I do. and my liar put an innocent man in prison. and I'm trying to save my soul.

What will it take from you your Honor from me, for you to know that I as God as my witness am telling you the truth?

Please just tell me and I will do it if I am able to.

You have always encouraged me your Honor. In that spirit and for the past ten years I have been working towards the past two years where I can move forward.

Please your Honor, please see that justice is not blind for all the so many victims in this case.

May God Bless you and guide you in your soul searching and divine assessment of this situation.
