Dear Aunt Dina

My Dad has probably told you that I got arrested for stealing a car but it is not true I got my drivers license and ask my friend to borrow his car. He did and said bring it back at six o'clock and I forgot about time I got in an accident and broke an arm and a leg well I guess driving isn't so fun anymore! My handwriting is not so great cause of my arm, but that's my own fault I can understand why my Dad didn't want to bail me out after what I did to him. I've been here for 4 weeks so far I have been thinking of hanging myself because I can't take it anymore. Tom Mansing the guy that strangled that woman in my room at the theaters. To kill me and
