APPLICATION AND MOTION TO SEAL

The United States of America, by and through its attorney, Wayne A. Budd, United States Attorney for the District of Massachusetts, hereby moves this Court, pursuant to 18 U.S.C. Sections 3122 and 3123, to grant an Order:

1. Extending for sixty (60) days this Court's previous Order authorizing the installation, use and continued use of a device to register telephone numbers dialed or pulsed from telephone number (617) 327-7380, subscribed to by Mary Flanagan, 39 Eastbourne St., Roslindale, MA;

2. Extending for sixty (60) days this Court's previous Order directing the New England Telephone Company, a communication common carrier as defined in Title 18, United States Code, Section 2510(10), to furnish Agents of the U.S. Treasury Department's Bureau of Alcohol, Tobacco and Firearms and Detectives of the Boston Police Department, Homicide Squad, all information, facilities and technical assistance necessary to accomplish the continued use of the registering device in an unobtrusive fashion; and

4. Sealing this Application and the Court's Order, as well

Mary 13, 1992 added

Maryanne B. Boulton DSM I

as all previous Applications and Orders.

The applicant certifies, pursuant to 18 U.S.C. Section 3123(a), that the information likely to be obtained from the requested device is relevant to an ongoing criminal investigation being conducted by the Boston Police Department and the Bureau of Alcohol, Tobacco and Firearms into suspected violations of Title 18, United States Code, Sections 844 and 371, and using the telephone to facilitate these offenses, which, it is believed, have been and are being committed by Thomas L. Shay, Thomas A. Shay, Alfred Trenkler and others as yet unknown. The investigation has disclosed, by means of law enforcement intelligence, informant information, telephone toll analysis, and surveillance, that Thomas L. Shay, Thomas A. Shay, Alfred Trenkler and others have been and are continuing to conspire to violate the aforementioned federal laws, and to conceal previous violations of such laws, and that they may use the telephone to communicate about such dealings. Information developed during the course of this investigation reveals that the aforementioned Thomas L. Shay has, for at least the past six (6) years, resided with Mary Flanagan at 39 Eastbourne St., Roslindale, MA. Further, Agents of the Bureau of Alcohol, Tobacco and Firearms have determined, from interviews with representatives of New England Telephone Company, that telephone calls placed to (617) 327-3269, the listing for Shay Auto Body, an apparent sole proprietorship operated by the aforementioned Thomas L. Shay, transfer automatically to (617) 327-7380, that telephone listing subscribed to by Mary Flanagan and located at 39 Eastbourne St.,

Roslindale, MA.

WHEREFORE, it is respectfully requested that this Court grant an Order: (1) Extending for sixty (60) days this Court's previous Order authorizing the installation, use and continued use of a device to register numbers dialed or pulsed from the aforementioned telephone number; (2) Extending for sixty (60) days this Court's previous Order directing the New England Telephone Company, a communication common carrier as defined in Title 18, United States Code, Section 2510(10), to furnish Agents of the Bureau of Alcohol, Tobacco and Firearms and Detectives of the Boston Police Department, Homicide Squad, all information, facilities and technical assistance necessary to accomplish the use of the registering devices unobtrusively and with a minimum of interference to the service presently accorded persons whose communications are to be the subject of the registering device; and (3) Sealing this Application and the Court's Order, as well as all previous Applications and Orders, except for such copies

as are requested by the United States Attorney in connection with the investigation described herein, due to the confidential nature of the pending investigation.

Respectfully submitted,

WAYNE A. BUDD
United States Attorney
