Re: **Thomas L. Shay**

Dear Jeff:

Confirming our telephone conversation of Wednesday afternoon, I look forward to speaking with you again after you have had a chance to meet with your client over the weekend.

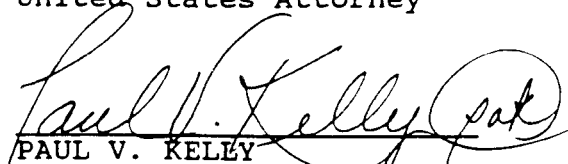

Please advise Mr. Shay that arrangements have been made to have a doctor from the Brigham and Womens Hospital, who is unfamiliar with this investigation, administer hypnosis. Obviously, the terms of this hypnotic session will be reduced to writing and reviewed in advance with Mr. Shay to protect his interests and the interests of the government. The entire private "one-on-one" session, and any preliminary discussions, would be videotaped. If it is still Mr. Shay's desire to undergo hypnosis, arrangements could be made to have it occur sometime the week of July 20th.

I look forward to hearing from you (direct line: 223-9280; secretary: 223-4274).

Very truly yours,

A. JOHN PAPPALARDO  
United States Attorney
