 v.) CRIMINAL NO. 92-10369-Z

 ALFRED W. TRENKLER)

**MOTION TO QUASH TRIAL SUBPOENAS
TO BUREAU OF PRISONS AND U.S. MARSHAL**

The United States of America hereby moves, pursuant to Fed. R. Crim. P. 17(c), to quash trial subpoenas served on October 20, 1993 on the Bureau of Prisons and on the U.S. Marshal for the District of Massachusetts. Copies of these three subpoenas are attached hereto.

1. Defendant Alfred Trenkler ("Trenkler") seeks records and documentation concerning a federal inmate, William David Lindholm, who has been listed as a prospective witness at the upcoming trial.

2. Trenkler has no right or entitlement to the records requested, which involve confidential matters such as locations of incarceration, prisoner transfer dates, etc. Quite frankly, Trenkler appears to be engaged in a "fishing expedition" for information.

3. The United States has already supplied Trenkler's counsel with all Brady/Giglio and (early) Jencks material for the above named witness. There are no promises, rewards and inducements.
