

7/9/98

This is an affidavit written on behalf of Al Trenkler. My name is Thomas Young Conley III, DOB-10/20/71, SS# 212-15-4062, Fed. Reg # 12115-051.

As long as I've known Al, since Nov '96, I've talked with him many times concerning his case. He had done nothing but complain about the lies used to convict him, ~~and~~ complain about the evidence withheld by the government which would prove his innocence, and constantly profess his innocence. From the papers he has shown me, and what he has told me, I believe he is not guilty of this alleged crime. However, this is not the purpose of this affidavit. The purpose of this Affidavit is to swear under oath that Al has denied all ties to this crime, and has never admitted doing it to me or anyone I know. He always professes his innocence. So if a convict ~~tries~~ from USP Allenwood tries to get a departure by saying Al confessed to this crime, to them, they are lying! This is the truth as I know it.
