He does this under peer pressure from older kids who are identified as; #1. a red head about 15-16 yrs of age hangs around the school. #2 A Michael Casey of the area of Marios service station Brook Rd. and the Parkway. the other two are nameless and no physical ~~desc~~ description can be provided. I told him you would contact him re; this.

~~PS Charlotte Berkowitz was there about one week ago and promised to do something for him as young Thomas lit a fire in a mail box. She never got back to him about anything and he was concerned about that.~~
