TO: LT. DET. EDWARD J. MCNELLEY
COMMANDING HOMICIDE UNIT

FROM: KAREN M. KELLY/POLICE CLERK TYPIST
AREA E

SUBJECT: INVESTIGATING PERSON

The Gentleman came in sometime in the morning, it was before I went to lunch.

All he said to me was that he would like to talk to a Detective, I then called upstairs and talked to Detective Maloney and told him that someone at the front desk would like to talk to Detective.

Detective Maloney told me to send him up, so I brought him to the bottom of the stairs and told him to go to the top and it was the first office on your right.

He seemed very uptight the only reason I remember is because usually people thank me when I take them to the Detectives Department. and he just repeated what I said and that was it.

He was a white male, heavy set, 180 - 200, black grey hair, 50's, dark blue cotton hat, light blue shirt, 5'10" to 6'.

Respectfully submitted,

Karen M Kelly
