9. DETAILS:

On October 28, 1991, at about 1230 P.M., the Boston Police Bomb Squad responded to a report of a suspicious package at 39 Eastbourne St., Roslindale (Boston), the residence of Thomas L Shay. During their examination of the package, it exploded, causing the death of one officer and seriously injuring another officer. The package, which was allegedly affixed to Shay's vehicle prior to its examination, measured approximately 12 inches in length, 8 inches in width and 1 inch in depth. The Northeast National Response Team responded to assist in this investigation. Later that same date, swabbings were taken from the hands of Thomas Shay the alleged intended victim of the bombing, for analysis.

Submitted with this request are the following items:

- Swabbing - dry gauze
- Swabbing - wet gauze (H2O)
- Swabbing - wet gauze (ETDH)
- Swabbing - cotton ball dry
- Swabbing - cotton ball wet (H2O)
- Scrapings from the skin of the finger of Thomas L. Shay
- Gauze control
- Cotton ball control

Analysis requested

- It is requested that items 1-6 be analyzed for the presence of explosive residue. (items 7 and 8 have been provided as control samples)
- It is additionally requested that an analysis be made of the swabbings
