SUBJ : Interview of Thomas Shay, the younger

On Friday Nov 1, 1991 Detectives Thomas and Fogerty were interviewing Thomas Shay, the younger, who at this point was under arrest and had been advised of his rights on default warrants. Shay was asked about a bomb threat that happened at the Back Bay Train Station last year (11/13/90) and Shay stated that a guy was hassling him in the men's room and that he called in the bomb threat and had the men's room evacuated. Shay stated that the guy was an asshole. Shay was asked if everyone who hassles him is an asshole and does he try to hurt them and Shay stated no.

Respectfully submitted,

William B Fogerty
