

Dianne,

CALL Boston Police (Don't let know one know about this) tell them I was in holding cell with Thomas Shay at Quincy district court and he told me all about killing that cop: 1

① Told me he did it.

② Told me about guy who made bomb

③ And asked me how much time he'd get for murder

④ Told me about the effects of a high explosive.

⑤ Told me if he could get out on bail he'd screw.

I want a complete Pardon of All my cases, a Personal Reconise on my bail Right now, And I'll testify in court.
