Re: United States v. Alfred W. Trenkler  
Criminal No. 92-10369-Z

Dear Terry:

Enclosed please find the following:

1. An exhibit list and set of exhibits from the recent suppression hearing (Note: exhibits 30A-C are in possession of the District Court).
2. Another set of audio tapes recently received from Jim Harding.
3. A set of handwritten notes (apparently by Mr. Trenkler) also recently received from Jim Harding.
4. A duplicate set of the photographs (of automobiles) shown to James McKernon.

I apologize for having to send you this material from Jim Harding in continuing installments, however, this "bizarre" character keeps delivering stuff to me. Mr. Harding is obviously a person not to be trusted by anyone. You have my assurance that I will not call him as a trial witness, nor will I use any tapes or other materials provided by him as part of the government's case in chief.

I hope to have a general report regarding the showing of photo displays depicting your client for you sometime next week.

Very truly yours,

  
PAUL V. KELLY  
Assistant U.S. Attorney
